IAAP Capitol Region Grassroots Organization Meeting

Monday, September 15, 2008

6:00 – 8:00 pm

Hilton Garden Inn — Springfield, Illinois

Dear IAAP Member:

You are invited to attend a regional meeting of the Illinois Association of Aggregate Producers at the Hilton Garden Inn the evening of September 15, 2008 from 6:00 to 8:00 pm. This event will provide a chance to catch up with old friends and meet new ones as well as give you an opportunity to learn about easy and effective ways you may help the IAAP, your company and yourself become a stronger voice in local and State politics.

Producers of crushed stone, sand, gravel, other non-coal industrial minerals and companies providing goods and services to this industry count on the IAAP to advance their industry by providing a unified voice. To make our efforts more effective, the IAAP has put together a focused grassroots political action plan that requires your help to work to its fullest potential. Members of the IAAP staff and your grassroots regional coordinator, Mark Maxey, Iola Quarry, Inc., will outline this plan and explain how you may participate. **Representative Bill Mitchell (R-87, Forsyth) and Senator Dale Righter (R-55, Mattoon)** have been invited to speak to our group. Their assessments of the 2008 legislative session and opinions regarding effective political engagement will be interesting.

Please extend this invitation to all employees and their spouses who may want to attend this gathering and learn about this important grassroots regional organization. The meeting begins at 6:00 p.m. with a social hour where hors d'oeuvres, beer, wine and soft drinks will be served. The Hilton Garden Inn is located at 3100 South Dirksen Parkway in Springfield, Illinois. **Please ask everyone to RSVP to the IAAP office by telephone at 217-241-1639 or return the registration form on the back of this page by faxing it to the IAAP office on or before September 9th.**

The IAAP Legislative Committee looks forward to this opportunity to provide our members and guests with a lively and interesting evening together. Please contact me if you have any questions.

Sincerely,

John Henriksen
IAAP Executive Director
