IAAP / TFIC Illinois Valley Region Grassroots Meeting
Monday, April 26, 2010
6:00 – 8:00 pm
Chapin's Restaurant — Morris, Illinois

Dear IAAP Member:

You are invited to attend a reception and grassroots member meeting hosted by the IAAP Legislative Committee and the Transportation for Illinois Coalition at Chapin's restaurant located at 701 N. Liberty Street in Morris, Illinois on April 26, 2010 from 6 to 8 p.m. This event will provide a chance to catch up with old friends and meet new ones interested in state transportation issues. You will also have an opportunity to learn about and participate in a discussion regarding current challenges facing the State highway construction program.

Senators Dan Rutherford (R-53, Chenoa), and Gary Dahl (R-38, Granville) as well as **Representative Kay Hatcher (R-50, Yorkville)** have been invited to attend. Their insights will be interesting. Invited representatives from the Illinois Department of Transportation's District 3 office and county engineers will provide additional information and perspective.

Please extend this meeting invitation to all company employees and their spouses who may want to attend this gathering. We are coordinating this event with the Transportation for Illinois Coalition to extend invitations to its members made up of statewide and regional business, organized labor, governmental and not-for-profit organizations who believe transportation is critical to the economy of Illinois. With common interests we can all benefit from this unique opportunity.

The meeting begins at 6:00 p.m. with a social hour where hors d'oeuvres, beer, wine and soft drinks will be served. **Please ask everyone to RSVP to the IAAP by telephone at 217-241-1639 or fax the registration form on the back of this page.**

The IAAP Legislative Committee looks forward to this opportunity to provide our members and guests with a lively and interesting evening together. Please contact me if you have any questions.

Sincerely,

John Henriksen, IAAP
