IAAP Northwest Region Grassroots Meeting
Monday, March 12, 2012
4:00 – 6:00 pm
Candlelight — Rock Falls, Illinois

You are invited to attend a reception and grassroots member meeting hosted by the IAAP Legislative Committee at the Candlelight Restaurant located at 2200 1st Avenue in Rock Falls, Illinois on March 12, 2012. The meeting begins at 4:00 p.m. with a social hour where hors d'oeuvres, beer, wine and soft drinks will be served. There is no charge to attend.

During this event you will hear from **John Wegmeyer, IDOT District 2 Project Implementation Engineer**, presenting information about road and bridge building projects in the region and challenges IDOT faces implementing the State's highway construction program as well as ways you may assist IDOT's efforts. You will also have an opportunity to participate in a discussion regarding these issues and others currently being considered by lawmakers in Springfield. State legislators representing districts in the region as well as county engineers are invited to attend. Their insights will be interesting.

Please extend this meeting invitation to all company employees and their spouses who may want to attend this gathering. We are also extending invitations to statewide and regional business, organized labor, governmental and not-for-profit organizations who believe transportation is critical to the economy of Illinois. With common interests we can all benefit from this unique opportunity. **Please ask everyone to RSVP to the IAAP by telephone at 217-241-1639 or use the registration form and fax it to the IAAP.**

The IAAP Legislative Committee looks forward to this opportunity to provide our members and guests with a lively and interesting evening together. Please contact me if you have any questions.

Sincerely,

John Henriksen, IAAP
