

LET'S MAKE A

POSITIVE IMPACT!

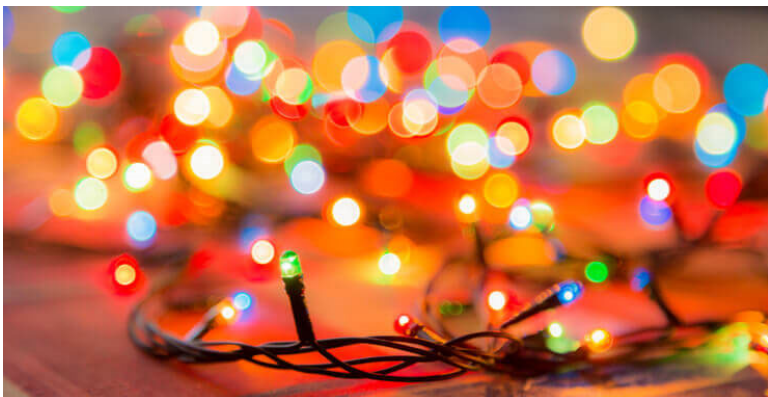

FOOD DRIVE

help families in need prepare a great holiday meal

Our company is partnering with the Illinois Association of Aggregate Producers' Sustainability Committee to collect food for the Central Illinois Foodbank during the IAAP's convention this year.

You may help with this community service project by bringing food items and depositing them in the designated collection box at your workplace by December 2nd.

Provide hope for the holidays and a great meal by donating stuffing & corn bread mixes, potatoes (dried) & gravy, cranberry sauce, and fruit pie filling with a pie crust mix.

QUESTIONS? Please reach out to: _____
